RESPONSE TO OFFICE ACTION

Sir:

This response to the 14 July 2006 Office action is submitted in conjunction with a Request for Continuing Examination and a Petition for Extension of Time for response. As for the last response date, note that 14 January 2007 was a Sunday and that 15 January was a federal holiday (Martin Luther King's birthday). The first official day of business after this for the USPTO is therefore 16 January 2007, which is the day on which this response is being submitted by fax.
